

Online Membership Directory Category Sponsorship

www.winterpark.org

The Winter Park Chamber of Commerce online membership directory is searched daily for a variety of services. Members, residents and even visitors from outside Central Florida use the directory in search of professional services, where to dine on Friday night and other personal and business needs.

Advertise Your Company

Chamber members can secure banner advertising in the online membership directory as the category sponsor. The category sponsor ad appears before the alphabetized member listings and includes a link directly to your website. If there are multiple pages within your category, your ad will appear at the top of each page. Your membership directory listing will continue to appear in alphabetical order.

For \$600/6 months or \$1,000/12 months, your category sponsorship will include:

- Banner ad at the top of sponsored category
Maximum size is 500 x 100 pixels. JPG or PNG files only. No PDFs. Must be static image. Flash and other animations will not be accepted.
- Link to Company Website
- Exclusivity

Only one sponsor per category will be accepted on a first-come, first-served basis.

Sponsor has first right of refusal on renewals. Member must be in good standing throughout the length of this agreement.
